Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for North Cherry Street Road and Drainage Improvements in fiscal year 2024. The entity to receive funding for this project is the City of Tomball, located at 401 Market Street, Tomball, Texas 77375. The funding would be used to improve drainage and roadway safety along North Cherry Street in old town Tomball. The project is an appropriate use of taxpayer funds because it will improve safety and accessibility along a local roadway while adding stormwater detention improvements.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 U.S.C. 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Wesley P. Hunt  
Member of Congress
